

Holidays

Speaking to several of our carers we have found that there are some holidays which may not at first seem suitable for people with mobility restrictions. This has not been found to be the case & the websites below are ones for holidays tried & tested by some members at the Centre.

If you can add to the list please let us know so that others may benefit from your experiences. Examples you may have could include Hotels, Bed & Breakfasts, Holiday cottages. Apartments etc.

[Haven Holidays](#) adapted caravans & accommodation. See under adapted caravans and contact their special needs adviser team.

Canal and river boat holidays from [Bruce Wake Trust](#) in specially adapted boats. The website gives details of the specialised equipment on board and contact information.

Cruising can be a very suitable way to see other parts of the world. One recommendation is [P&O](#) who have a disability team to advise on requirements. [Cunard](#) have also been used by members with mobility problems and they too have specially adapted staterooms.
